Dear Mr. Bratcher:

In response to your letter dated June 14, 2006 on the above captioned well, a second application of water and Microblaze was applied on June 12, 2006. With this new application to the affected pasture east of the battery, Yates will re-assess the area in 90 days (on or around September 12, 2006).

If you have any questions call me at (505) 748-4217

Thank you.
