Section 16, T20S-R24E
Eddy County, New Mexico

Dear Mr. Bratcher,

Enclosed please find a Form C-141, Final Report for the above captioned site regarding the release on March 12, 2006. Microblaze was applied in March 2006 and on June 12, 2006 and per my June 22, 2006 letter addressed to you, the site would be reassessed in 90 days. Based on the reassessment, Yates Petroleum Corporation requests closure, there is a total site ranking score of zero (0) and vegetation growth in the release area (enclosed photographs copies, taken 9/14/2006).

Thank you.
