Mike and Shelly,

Please find attached the *Proposed Remediation Workplan* that has been prepared for Concho's Owl 20504 JV-P #005 SWD release site. Becky and I were curious if you might have the opportunity to meet with us to discuss this project in person on either Wednesday of this week or early next week. Alternatively, if you get the opportunity to review the Workplan before then, please feel free to do so. If you have any questions or need any additional information, please feel free to contact Becky or myself by phone or email. Thanks y'all.

Respectfully,

Joel Lowry
