**Attachments:** IndianBasin210\_BackfillRequest.pdf

All,

Attached please find the "Environmental Site Summary & Partial Backfill Request" for Indian Basin Station 210 (2RP-4332). Oxy wishes to expedite reconstruction and rebuilding of the storage facility and containment area and, therefore, would like to install a liner and partially backfill the excavation ASAP.

Thank you for your time and consideration.

Respectfully,  
Ben J. Arguijo
