RE: EOG * State D SWD 1 * 2RP-79 & 2RP-755

Heather,

Your request to backfill at the above referenced release site is approved. Please proceed on your schedule.

Thanks,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Subject: Backfill Request for EOG State D SWD #1 (2RP-79 and 2RP-755)

Good Afternoon,

On behalf of EOG, we would like to request backfill at the State D SWD #1. Attached you will find the detailed site map and a summary table of all samples. The battery was excavated to 3.5' and the pasture was excavated to 1.5 feet.

Please note, multiple limitations applied to this site, including tanks, buried lines, sumps, and overhead electrical lines.

Thank you,
