OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Mike,

Please find the attached Delineation Workplan and remediation proposal for the COG Copperhead Fee A #003H (2RP-4747). COG is requesting that you review this plan and is looking forward to the

OCD's approval.

Mike, this is another one we discussed in your office on August 9, 2018.

If you have any questions, please let me know.

Thanks, Cliff
