Hello Mr. Brunson,

OCD has received your Remediation Plan for 2RP-4862, thank you! This plan has been approved with one condition, the area around SP1 to be excavated to 1'. Please let me know if you have any questions.

Best Regards,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
