Hello Ms. Baker,

OCD has received your closure reports, thank you! These closures are approved. Please note that future closures will require the updated C-141 form.

Best Regards,

Maria Pruett

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
