Subject: Marathon Oil Company - 24 Hour Notification - Black River 15-10 State Com X 4H

Good evening,

At 7:30 am, Operator reported standing in fluid in containment due to a tank level transmitter failure. Approximately 80 barrels produced water was released from the tank thief hatch and remained in lined tank containment. A vac truck was dispatched and recovered standing fluids.

30-015-43959

Thank you,

Callie Karrigan
