RECEIVED

RE: **Form C-141 - Minor Release Notification**
Lane Gas Plant
Eddy County, New Mexico

JAN 28 2019

DISTRICT II-ARTESIA O.C.D.

Dear Sir/Madam,

Summit Midstream Partners, LLC (Summit Midstream), on behalf of Summit Midstream Permian, LLC, is submitting the Release Notification Form C-141 to the Oil Conservation Division of the New Mexico Energy Minerals and Natural Resources Department for the natural gas release that occurred on January 14, 2019 at the Lane Gas Plant in Eddy County, New Mexico.

Summit Midstream is submitting Form C-141 to comply with the requirements of NMAC 19.15.29.9.B. Summit Midstream would like to note that the Site Assessment/Characterization and Remediation pages of Form C-141 do not apply to the closure of gas releases and; therefore, have not been populated or signed. Summit Midstream believes that no further action is required at this time and requests the closure of this incident. Should you have any questions or require additional information, please contact Jonathan Shares of Summit Midstream by phone at 720-358-3855 or by email at jshares@summitmidstream.com.

Sincerely,

Zak N. Covar
Vice President of HSE&R
