I accidently closed 2RP-5130 in OCD permitting. **So, now this C-141 is 2RP-5131.**

2RP-5130 paperwork in the L: drive.

Good afternoon,

Please see the attached initial C141. Just as an FYI, this site was operated by McKay Oil Corp, but they subleased from Marathon and we have been instructed to plug, abandon and reclaim. We were in the middle of final reclamation when the release occurred.

Let me know if you have any questions.

Subject: Marathon Oil - 24 hour notice - Husky McKay Federal #1

Good afternoon,

This afternoon at approximately 11:56 am, a third party was contractor was in process of flushing the flowline when one of the fittings failed, releasing 6.47 bbls of oil. The fitting was found to be corroded. The crew was in process of flushing the line during wellsite abandonment. An emergency one call was placed to begin remediation.

A C141 will be submitted shortly.

Thank you,
