Please find attached the *Site Assessment Summary and Proposed Remediation Plan* along with the applicable pages of the Form C-141 that has been prepared for ETC's Cal B Pipeline release. The release site is located on Federal land within Unit Letter "A", Section 12, Township 26 South, Range 31 East in Eddy County, New Mexico. If you have any questions or need any additional information, please feel free to contact me by phone or email. Thanks.

Mike, this is the project that we had discussed in which we resulted to utilizing a masonry drill to collect many of the shallow delineation samples.

Yolanda, I believe this was the larger release that you had seen on the Cal B that day that you were down there.

Respectfully,
