Rebecca,

We have received your closure report and final C-141 for 2RP-4757 Pickett Draw Fed SWD Line, thank you. This closure is approved. This is a Federal site and will require like approval from BLM.

I just wanted to let you know that the 2RP number on this one is 2RP-4757 instead of 2RP-4750.

Please let me know if you have any further questions.

Thank you,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Good Afternoon Rob,

We have remediated this site according to the approved work plan, and I have attached the closure report for your approval. Included in the report you will find all of the necessary pages of the C-141.

Please let me know if you have any questions or concerns.

Thank you for all of your help.

Best Regards,

Rebecca Pons
