RE: Third attempt - Closure Request - Ross Ranch 31 Federal #1H/2RP-4973

Mr. Baker,

OCD has received your closure report and final C-141 for **Ross Ranch 31 Federal #1H/2RP-4973**, thank you. This closure is approved. Federal site will require BLM approval.

Victoria Venegas  
EMNRD  
OCD-District II

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
