OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: [EXT] RE: PLU 18 BD #161H Closure Report (2RP-5430)

Hello Mike,

We have revised a couple figures (3a and 3b) in the Closure Report for better context of the area of release at the PLU 18 BD #161H (2RP-5430). An updated report is attached. Please let me know if you have any questions.

Thanks,
Stephanie Hinds
