OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Good Morning,

This is sent as 48-hour notification that we are scheduled to inspect this containment on Wednesday 7/3/2019 at 11:30 am MST. An immediate release notification was not previously emailed for this event (6/23/2019) as this release was not greater than 25 barrels in volume. The release occurred within the tank battery lined containment. Please call us with any questions or concerns. Thank you.

Respectfully,

*Amy C. Ruth*
