Jim,

Thank you for submitting the C-148s for WPX Section 16 Recycling Containment (2RF-109). This email confirms receipt for the C-148s for April and May 2020.

OCD has created a new mailbox (OCD.Enviro@state.nm.us) to receive all Environmental Bureau documents that are not submitted through the OCD Online fee portal. All recycling facility/containment applications, submittals, reports, closure reports, and other communications should be sent to OCD.Enviro@state.nm.us. (Operators can continue to cc the OCD Environmental Bureau and District Office staff, but we all have access to the OCD.Enviro mailbox.)

Regards,
Susan
