Subject: [EXT] XTO- Extension Request- Nash Unit 302-402H

All,

XTO is requesting an extension to the current deadline of January 15, 2020 for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC at the Nash Unit 302-402H (RP Not Assigned). The release was discovered October 17, 2019 and initial site assessment was conducted. The preliminary analytical results indicated the need for further excavation at the site, remedial action is scheduled to begin January 20, 2020. To provide enough time for further site assessment, remediation work, and the completion of a remediation work plan or closure report, XTO requests a 90- day extension of the deadline to April 15, 2020.

Thank you,

Kalei Jennings
