Mr. Bratcher/Mr. Mann,

The Work Plan was approved by the SLO on July 22, 2019. However, COG is still requesting a 3 month extension until October 29, 2019 to prepare the Closure Report.

Subject: (Extension Request) COG Graham Cracker 2 State (2RP-5063 and 2RP-5163) Work Plan

Mr. Bratcher,

Under the new spill rule a closure report is due for the above releases on 7/29/2019. COG submitted a work plan which was approved by the NMOCd on April 30, 2019, however COG is still awaiting approval from the SLO. We can't start remediation activities without SLO approval. COG is requesting a three month extension until October 29, 2019 in order to hopefully obtain SLO approval and conduct remediation activities and prepare a closure report. If we do not obtain SLO approval we may have to request an additional extension. Please let me know if you have any questions.

Thank you,
