OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

All,

I'll need page 5 of form C-141 to approve the remediation plan for Hackberry 26 CTB API# 30-015-43857 Date of Release: May/06/2019. Please make sure, for your next submittals, to include the corresponding form C-141 page in the report.

Thank you,

Victoria Venegas
