**Subject:** [EXT] Request for Extension - nRM2003759623 - Kaiser-Francis Oil Co Williams Fee 2524 LBC #001H

Good afternoon,

This email serves as a request for a 60-day extension to submit the closure report for the following release:

nRM2003759623	[30-015-43743] WILLIAMS FEE 2524 LBC #001H	[12361] KAISER-FRANCIS OIL CO
---------------	--	-------------------------------

Remediation of the soil is currently underway and is expected to be completed sometime late next week. In-ground infrastructure required hydro excavation, which affected the timeline for the project.

RXSoil will notify the NMOCD two business days prior to final sampling and two business days prior to backfilling the excavation area, per NMAC 19.15.29.

Please advise. Thank you in advance.

Best,  
Zach
