**Subject:** [EXT] CTE -Extension Request State N Battery

Good Morning,

Cross Timbers Energy, LLC respectfully requests a 90-day extension for the State N Battery closure report # NRM2003036134.

Our consultant is assessing the site. Delays were due to consultant unavailability, once we had a remediation schedule, it was delayed due to the COVID-19 outbreak. Our focus will be on remediation services to be completed as soon as feasible, while maintaining compliance with COVID-19 restrictions.

Thank you,
