Subject: [EXT] XTO-Extension Request-Poker Lake Unit 147-NRM2004445859

All,

XTO is requesting an extension to the current deadline for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC at Poker Lake Unit 147-NRM2004445859. The release was discovered January 28, 2020 and initial site assessment was conducted. Remediation activities are currently ongoing, and the most recent laboratory analytical results indicate further remediation work is warranted. In order to complete the remediation work and submit a remediation work plan or closure report XTO requests a 60-day extension of this deadline until June 27, 2020.

Thank you,

Kalei Jennings
