RE: Incident #NRM2006956859

Lynda,

Your request for an extension to August 28th, 2020 is approved.

Thank you,

Robert J Hamlet

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: [EXT] WPX Energy Extension Request- North Brushy Draw Federal 35 #002, NRM2006956859

Good afternoon,

WPX is requesting an extension to the current deadline date of May 28, 2020 for incident #NRM2006956859 to submit a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC. WPX is working to complete excavation activities off pad location at the North Brushy Draw Federal 35 #002. WPX requests an extension date of the current deadline until August 28, 2020.

If there are any questions or concerns please do not hesitate to contact me.

Thank you,

Lynda Laumbach
