Rob,

EOG Resources, Inc. respectfully requests an extension for the below Characterization & Remediation Plan for final submittal, the due date is June 4, 2020. I am experiencing technical issues with our scanner here at EOG and am unable to scan the document to be able to submit the plan. Hopefully because our reduced staff, our IT Department can remedy the issues quickly and EOG can submit the plan on or before June 15, 2020.
