Brittany,

Your request for an extension to November 2nd, 2020 is approved. Under the new spill rule a Work Plan/Closure Report is due for the above release on August 2, 2020. COG is requesting a three-month extension until November 2, 2020 in order to install boreholes to assess release, determine depth to groundwater, and prepare and submit a Work Plan for the site.

Thank you,
