RE: Incident #NRM2011862082

Brittany,

COG's request for an extension to **January 10th, 2021** is **denied**. This is the 2nd extension request for this release. Preparing, finalizing, and submitting a report is no longer a valid excuse for a 2nd extension request. Please plan accordingly in the future. **COG** will have 30 days to submit a remediation/closure plan to the payment portal.

To Whom it May Concern,

Under the new spill rule a Closure Report is due for the above release on October 10, 2020. COG is requesting a three-month extension until January 10, 2021 in order to complete Remediation and prepare, finalize and submit a Closure Report. Please let me know if you have any questions or concerns.

Thank you,
