**Subject:** Rodke AOY 1 (nAPP2116941247) Characterization/Remediation Plan Extension Request

Good Morning,

EOG Resources, Inc. respectfully requests an extension to December 17, 2021, for the Characterization/Remediation Plan for the below listed location.

Rodke AOY #1  
nAPP2116941247  
A-21-19S-25E  
Eddy County, NM

The environmental consultant has determined that a core rig will be required to complete full delineation of the impacted area. After discussing current scheduling with the core rig company and the need for NMOSE permitting prior to drilling, the consultant believes that December 17, 2021, is an attainable timeframe to complete the Characterization/Remediation Plan.

Thank you,

*Tina Huerta*
