Good Morning,

EOG Resources, Inc. respectfully requests a 90 day extension to January 28, 2021 for the Characterization Plan to the below listed incident. We need to file the extension due to the following reasons: Characterization of the site has not been completed. An EM Survey is scheduled for 10/28/2021 and the completion of delineation will be completed next week on 11/4/2021 through 11/5/2021. We are requesting this extension so that we can stay within the timeframe that has been established.
