Subject: [EXTERNAL] Long Arroyo OD State Com #2 (nAPP2123158626) Extension Request

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

Good afternoon,

EOG Resources, Inc. respectfully requests an extension to November 30, 2021, for the Closure Report of the below site.

Long Arroyo OD State Com 2
nAPP2123158626

This is due to activities related to plugging the well, specifically accessibility of the plugging rig to the

site, progress in excavating and hauling impacted material to disposal was delayed. The confirmation samples have been collected and backfill activities are underway, and the consultant performing the remediation at the site has stated they will have the Closure Report completed and ready for submission by November 30, 2021.

Thank you,

Tina Huerta
