Good afternoon,

EOG Resources, Inc. respectfully requests an extension to January 31, 2022, for the Characterization/Remediation Plan for the below site.

Allison CQ Federal #9
D-15-19S-24E
Eddy County, NM
nAPP2124535531

The site is a plugged and decommissioned site with historical impacts that are being addressed in conjunction with the reclamation of the location. Delineation activities have recently been completed and remediation is underway at the site, therefore the consultant believes they will have the Closure Report completed and ready for submission by January 31, 2022.

Thank you,

Tina Huerta
