Subject: [EXTERNAL] Re: Aikman SWD State #001 Extension Request - NAPP2127753131

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

Please see the corrected extension date.

This email serves as an extension request for the remediation of the release associated with the Aikman SWD State #001. Wescom Inc., is requesting an extension on behalf of Spur Energy Partners LLC from the original December 15, 2021 due date to March 15, 2022 in order to complete the new Aikman SWD facility. Upon completion of the new facility, poly lines and electrical lines associated with the old facility will be removed from inside the spill area. Removal of poly and electrical lines will allow remediation activities to be conducted in a safer and more efficient manner. Thank you for your time and consideration.

Thanks,

Ashley Giovengo, Environmental Manager - Permian
