Describe Area Affected and Cleanup Action Taken.*					
I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Dear Operator,

The Artesia Oil Conservation Division is in receipt of the initial Form C-141 (copy included) dated 5/27/2004 from Sid Richardson Energy Services

Please submit a Corrective Action Work Plan to the Artesia O.C.D. for correction/remediation of this release. Please use the "Guidelines For Remediation of Leaks, Spills, and Releases as your guide.

A copy of the Guidelines for Remediation of Leaks, Spills, and Releases, published 1993, can be found at the O.C.D. web address WWW.EMNRD.STATE.NM.US/OCD.

The published document can be found on the O.C.D. web page under Publications/Environmental Handbook/Miscellaneous Guidelines/Spill Prevention Clean up.

The work plan presented to the O.C.D. must include general site characteristics, soil remediation action levels, soil remediation methods, and planned analytical testing for TPH, B-TEX and Chlorides if applicable.

A final Form C-141 is required for closure of the event or release and must include a report of remediation actions taken with final analytical results attached.

Please have the requested work plan in the Artesia office on or before August 20, 2004.

The Artesia O.C.D. must be notified 24 hours prior to any remediation actions and/or subsequent soil samples taken for analysis.

In the event that a satisfactory response is not received to this letter further enforcement will occur. Such enforcement may include this office applying to the Division for an order summoning you to a hearing before a Division Examiner in Santa Fe. Such a hearing may result in imposition of **CIVIL PENALTIES** for your violation of OCD rules.

If I can be of assistance in this matter please do not hesitate to contact me at 505-748-1283

Or E-mail me at mbratcher@state.nm.us.

Sincerely,

Mike Bratcher

Compliance Officer.

N.M.O.C.D.
