Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

David H. Arrington Oil & Gas, Inc. plans to drill this Well in April or May of 2003. Extenuating circumstances and logistics of rig availability have made it difficult to guarantee spudding before the expiration of the existing permit. We respectfully request an extension past April 12, 2003 to allow us to proceed with this project in a prudent manner.
