**RE: Engwall RL Federal #3      Leakage Test      I-4-9-26**

Dear Sir or Madam:

A packer leakage test performed 10-8-04 – 10-13-04 indicated communication between pools. OCD Rules state in pertinent part....."In the event a segregation and/or packer leakage test indicates communication between separate pools, the operator shall immediately notify the division and commence corrective action on the well..."

**This well must be in physical compliance with OCD Rules on or before 21 January, 2005.**
