Dear Mr. Arrant:

Thank you for putting me in touch with Mr. Stogner. I found I was looking at an old rule book. Also, I did not have a copy of what Unit Petroleum had filed on this well before Rubicon Oil & Gas, LLC took the well over and deepened it from the White City Penn Pool to the Black River Morrow SW Pool.

Apparently Unit Petroleum had designated the W-1/2 of Section 36 as the drilling unit for the subject well. We failed to file a Form C-102 to designate our preference for a proration unit when we filed the C-105 and C-104.

Rubicon Oil & Gas, LLC requests that the proration unit for the subject well be changed to be the S-1/2 of Section 36, as shown on the attached Amended Form C-102. This will permit them to designate the N-1/2 as the Drilling Unit for the Jake State No. 2 which is an existing well-bore that they will propose to re-enter.

Thank you. If you need more information please call me, 915/687-1192.

Very truly yours,

 Darol K. Ramey
