Subject: Modification & Variance to pit permit: Murchison - War Horse Fed #2H
Attachments: WH2hVarianceModif_01.22.16.pdf

Heather and Mike:

Please find the attached minor modification and variance request for the War Horse Fed Com #2H temporary pit (permit #2-13-0026). You approved the application last July but we'd like to significantly reduce the size of the pit and to do this, we'll need to alter the approved slope. Please contact me or Randy with any questions. Thanks and have a good weekend.
