Subject: Strata - Roadrunner Fed 2H pit
Attachments: Inspections and visits RR2.xlsx; RR#2H Pit Log.pdf; RR2 Sundry.pdf

Mike,

Please find the Pit inspection logs attached. The "RR#2H Pit log" was kept by Bobby Grice who was our drilling consultant on location. The "Inspections and visits RR2" were kept by Mr. Hicks and Ms. Pope.

I have also attached the approved Sundry Notice with BLM's Conditions of Approval for Closure.

Thanks,

Paul
