Mr. Hamlet,

Please find attached a Site Status letter regarding inspection number iTM1734133661, conducted in 2017. This inspection identified a staining violation. Chevron acquired the lease for this well in October 2018 and is currently evaluating this well for ongoing production. The attached letter proposes that work to address the violation will be conducted in conjunction with maintenance activities at this well.

Please let us know if you have questions.

Best Regards,
