RE: West Square Lake 35 Federal G #1, API# 30-015-45530, C-104RT extension request

Mr. Bratcher,

Seguro Oil and Gas, LLC is requesting an extension of the C-104RT, dated 1-29-2020, expiration 4/25/2020 for the West Square Lake 35 Federal G #1, API# 30-015-45530. At this time, attempting to complete this well under the guidelines of the Federal Government of the 6-foot social distancing and the collapse of the oil prices makes it unfeasible to do at this time. We are asking for the extension of six months since we are uncertain when the guidelines will be lifted and the availability of sub-contractors to perform this work due to the mass layoffs in this region due because of the economic downturn. With that being said, we are asking for the C-104RT (copy attached) to be extended to 10/25/2020.

Thank you in advance for your consideration in this matter.

Sincerely,

S. Paul Anderson
President
