Ms. Sturdivant,

In response to your email, and Mr. Anderson's extension request letter, this request is approved, at this time, for 90 (ninety) days. Your current C-104 RT, dated 01/29/2020 with an expiration date of 04/25/2020, is extended to 07/25/2020. This extension has been requested, and is approved, due the current COVID 19 guidelines and an historical, depressed commodity price.

We all hope for better and brighter days ahead.

Thank you,

Mike Bratcher

I was just following up on this request.
I didn't see anything in our well file on-line and didn't want to let it expire and that date is coming soon.
Thank you in advance for your help.
