Re:

Staley Nos. 1 and 2 Wells Eddy County, New Mexico

Dear Mr. Morgan:

Pursuant to your request we have reviewed our title files covering the Staley Tract, which covers the following described lease and lands situated in Eddy Count, New Mexico:

State of New Mexico Lease No. B-4918

Township 17 South, Range 28 East, N.M.P.M. Section 30: N/2 SE/4 and SW/4 SE/4

containing 120 acres, more or less, limited to depths from the surface down to 5,000 feet below the surface.

We have also examined the New Mexico Oil Conservation Commission Form C-102 (Well Location and Dedication Plat) which confirm that both the Staley Nos. 1 and 2 Wells are situated within the above-described lands. Based upon our Division Order Title Opinion dated November 24, 2000, we note that the ownership under all of the above-described lands are identical. Therefore we can confirm that based upon the above materials, the ownership under both the Staley No. 1 and Staley No. 2 Wells is identical.

Should you have any questions on this matter, please call me.

Respectfully submitted.

Rod J. MacDonald
