CBS respectfully request rescission for the previously submitted procedure to plug and abandon this well dated 7-7-2010.

CBS proposes to restore the well pad for this well to a condition to allow a well service rig to move in and rig up on the well.

CBS will then enter the wellbore and determine if there is any commercial use for the wellbore. Is so CBS will submit justification for such use to the BLM and return the well to active status. In the event no commercial use for the wellbore can be identified, then CBS will submit a procedure to plug and abandon the well by Nov 30, 2012.
