Elizondo A Fed 2 30-015-31978 Snow Oil & Gas Inc. June 15, 2012 Non-Compliance Issues

Sundry rejected – operator shall summarize all work that was completed on this well by date on a subsequent report sundry by June 25, 2012. NMOCD forms do not apply to BLM and shall only be submitted to NMOCD. The NMOCD form does not have the required information even if it could be used.

A new 3160-4 is not required when an operator is in the same formation. The one that the operator submitted is incomplete if it had been required. All boxes shall be completed as with a new completion.

Operator states by signing any and all documents that they know the Onshore Orders, Notices to Lessees and all applicable portions of the 43 CFR.

- 1. Operator has not performed or scheduled the 72 hour test required by BLM. An Incident of Non-Compliance will be issued.
- 2. Operator never complied with the requirement to submit a plug and abandonment procedure by April 30, 2012.
- 3. Operator was instructed to inform the BLM by May 15, 2012 regarding the production. Operator has continually failed to communicate with the BLM when they are not meeting required deadlines.
