Describe Cause of Problem and Remedial Action Taken.*: 2" polyline had a small, dime size hole. It looked like it was run over as it had tire marks. Called gang to repair line. Further remedial action pending

Describe Area Affected and Cleanup Action Taken.*: Spill sight 75' west of SU #4 P&A. M&S picked up 1 bbl.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOC rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOC marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOC acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
