13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed, or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Accepted for record
NMOC

10/28/2012

Per phone conversation 10/30/12 between Don Peterson and Denise Woods, Occidental Permian LP respectfully requests permission to start dirt work on the Federal 12 #1H. The estimated spud date for this well is 11/18/12 and it will take approximately one week to build the location. The notifications and work will begin as soon as this sundry notice has been approved.

SEE ATTACHED FOR
CONDITIONS OF APPROVAL

Construction of location prior to APD being approved could require reclamation of location in the event that the APD is not approved.
