To Whom It May Concern:

Please find enclosed Form C-103 in triplicate for your notification and records.

It is my understanding that all P&A requirements have been met at this time and the land has been returned to its original state. We request that the area be inspected, and upon your approval, this well site be released in your system so that we are able to file a Sundry Notice for Change of Operator on a well that we bought in September 2012.

Please let me know if you have any questions or concerns. Thank you in advance for your prompt attention to this matter.

Sincerely,

Amy Love Bushong
