13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

MOC has an approved APD at the Carlsbad Field office level. The APD for the above well has been sent to Santa Fe for potash signatures. MOC has spoke with Jay Spielman in Santa Fe and will have the approved APD by 9-19-13. MOC would like to begin construction on the location while the approved APD is returned. Please contact Bradley Bishop or Mickey Young with any questions.
