This well is due for the TA Extension to expire on 5/1/14. As of January 2014, Nearburg had eight temporary-abandoned wells in this area awaiting recompletion. Seven of the eight wells have TA expiration dates in May 2014. Six of the eight wells will be recompleted by 5/1/14. Considering our current activity, we request a one-year extension for the other two wells. See attached Inactive Well list for explanation. Nearburg will schedule a MIT and contact the Artesia OCD to witness the test.

*1 one year extension is granted
