13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BLA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Apache proposes changes to the original APD to downsize 69 feet on the south and 62 feet to the east instead of the north and west side of pad.

Denied: Does not meet BLM Interior Reclamation objectives or Best Management Practices. Suggest Reclamation on west side & backfill two cuts on east. Complete Reclamation by due date 7-13-14, or contact
